Dear Mr. Taylor:

I have just re-figured the Camels schedule. I was wrong in thinking that you were supposed to be broadcasting this week. This week and Monday, May 25th, can be used for the four make-ups you are to make for Camels. Your contract, for the fifteen week period, would have ended ~~at~~ if everything had gone according to schedule, on May 14.

So everything is OK to go ahead on those make-ups. I will let you know about Beech-Nut as soon as I find out.

Sincerely yours,

Naomi Ross Fine

PS. I just spoke to Newell-Ernett on the phone, and they said that the make-ups for Beech-Nut are OK, for April 26, 27, and 28 - regular schedule - 5 each day.

Will you send on Camel's affidavit for April. I don't have the one that you were going to have notarized.
